FIVE BIG WAYS YOUR HEALTH INSURANCE IS ABOUT TO CHANGE!

Because of the 2010 federal health care law:

1. Pre-existing conditions exclusions have ended for children and will soon end for adults;
2. Your children can now stay on your health insurance until age 26;
3. Lifetime caps and annual caps on the amount of health insurance you can use will be ended;
4. In 2014, insurance exchanges will be set up so that individuals without health insurance can shop for and purchase coverage;
5. In 2016, there will be a \$695 fine for those persons who have not yet purchased health insurance.
