# Medical Errors Update

If you have been injured by medical malpractice, Fuller and Fuller can help you determine whether you have a valid claim, whether you are entitled to compensation, and what you can do to hold a negligent doctor, nurse, or hospital responsible for wrongdoing. Call Fuller and Fuller to get your questions answered at 1-800-570-4878.

## MEDICAL ERRORS: USEFUL INFORMATION

At Fuller & Fuller, we believe that the best way to safeguard your health is to be an informed medical consumer. When you are ill or injured, the more you know about your physician or other health care provider, the better decision you can make about care and treatment. Here are some helpful phone numbers that will assist you.

### ■ Physician License Information:

You can find out if a physician is licensed by calling 360-236-2750.

physicians and physician assistants is also available. Call 360-236-4815.

### ■ Medical Quality Assurance Commission Website:

[www.doh.wa.gov/hsqa/MQAC](http://www.doh.wa.gov/hsqa/MQAC)
